

Bradykin, the beloved Coton de Tulear, returns with another adventure for readers

Bradykin's Joyful Adventure debuts as the #1 New Release in its genre on Amazon

PLYMOUTH,, MASSACHUSETTS, UNITED STATES, September 18, 2023 /EINPresswire.com/ -- Briley & Baxter Publications is proud to announce the release of Bradykin's Joyful Adventure written by Susan and Megan [Downing](#), a mother/daughter writing team. It will be available on Sept. 19, 2023, at [Barnes & Noble](#), [Amazon](#) and other online retailers. This is the second best-selling book in the children's series.

"Megan and I were inspired to write Bradykin's Joyful Adventure by our shared belief in the importance of fostering genuine joy in children's lives. We wanted to shift the focus away from fleeting happiness derived from material possessions and instead encourage kids to find lasting joy in simple, timeless activities throughout all four seasons of the year," said Susan Downing.

This book emphasizes that joy is an inner state of contentment and delight, which children can practice and cultivate through positive experiences, whether they are surrounded by family, friends, or pets shared Susan Downing. The authors hope to inspire young readers to find lasting joy that comes from within, rather than relying on external sources of temporary happiness.

“

This book incorporates the happiness of my own childhood, with the hope of bringing joy to readers.”

This is particularly relevant in today's fast-paced world, where the pressure to constantly chase external validation and instant gratification can take a toll on mental health.

“We believe that nurturing joy from within can be a powerful tool in promoting children's mental well-being and helping them navigate the challenges of modern life with resilience and happiness,” Susan Downing went on to say.

Joy is something children can practice daily, and it can serve as a vital aspect of their mental health and overall well-being.

“This book incorporates the happiness of my own childhood, with the hope of bringing joy to readers,” added Megan Downing.
