GymNation opened its first gym in 2018 with the aim of revolutionizing the fitness industry by shattering the mold of high-priced memberships and lengthy contracts. The brand prioritizes health and wellness affordability for all UAE residents and visitors.

To achieve this missing without compromising quality, GymNation has invested in state-of-the-art facilities. These include 25,000 to 50,000 square feet of space offering 24/7 access to cutting-edge Matrix cardio and weights equipment, live fitness classes, virtual on-demand classes, ladies-only facilities, and much more.

One particular attribute that sets GymNation apart is its commitment to inclusivity and community support. Nothing exemplifies this better than its partnership with Heroes of Hope,

empowering People of Determination through fitness.

With 11 locations currently open across the UAE and ambitious expansion plans across the Middle East, GymNation continues to redefine fitness accessibility, solidifying its reputation as a leader in providing exceptional fitness and wellness experiences.
