HANGAR12 agency

Throughout her middle school and high school careers, she discovered her creative side. She prepared passion projects on Shark Tank inventions, information on her home country of Peru and biographies of famous singers and actors. This resulted in accomplishing her main goal of creating attention-grabbing marketing presentations.

“

We're proud that Milagros is the 6th recipient of this annual scholarship that honors advertising executive Maureen Filetti.”

*Kevin Keating, President of
HANGAR12*

Milagros said, “A marketing career will give the opportunity to work in a collaborative environment and explore innovation solutions to engage and captivate viewers through the marketing process. This will enable me to

develop my critical problem-solving skills and enhance my professionalism. I look forward to working on faculty-led research projects at college, hopefully engaging with topics of economic and social research, delving deeper into behavioral and consumer data.”

The Scholarship honors Maureen Filetti, who attended Buffalo Grove High School and worked as an advertising executive for many years at HANGAR12 agency in Chicago and brought positivity and light into the lives of everyone she knew. Maureen passed away 6 years ago on September

19th. The scholarship continues to be funded by HANGAR12. Congratulations to Milagros on her well-deserved honor! And as Maureen always said, #staypositive
