

International Nova Partners with Bold.org to Launch Eli Motherhood Scholarship

ATLANTA, GEORGIA, UNITED STATES , September 19, 2023 /EINPresswire.com/ -- International Nova, the renowned artist in the music industry, has joined forces with Bold.org to establish a scholarship initiative in loving memory of his late aunt, Elizabeth. This scholarship initiative is designed to provide support to underrepresented Hispanic women college students as they pursue their undergraduate degrees.

The primary focus of this scholarship is to empower Hispanic single women who are aspiring to achieve degrees in the fields of music or business. Applicants are required to submit a compelling essay outlining why they should be considered for this scholarship, in addition to maintaining a minimum GPA of 2.8. Each year, the ultimate objective is to grant scholarships to four deserving students through Bold.org. The scholarship will commence with an initial funding of \$500, and International Nova is committed to raising \$4,000 or more for this initiative through fundraising efforts.

Furthermore, The Nova Agency has pledged to contribute 2% of their earnings to further increase the scholarship fund, thereby assisting even more students in their educational pursuits.

Prospective applicants can submit their applications at <https://bold.org/scholarships/eli-motherhood-scholarship/>

It's important to note that donors who contribute to the [Eli Motherhood Scholarship](#) will be eligible for tax deductions for their generous contributions.

His collaborations with esteemed artists such as Petey Pablo, Tony Sunshine, French Montana,
