

# AFAM Oasis, LLC Launches A Directory To Connect African-American Consumers with Healthcare Professionals

*The leading platform offers a directory of African-American healthcare workers.*

CHICAGO, ILLINOIS, UNITED STATES,  
September 19, 2023 /

EINPresswire.com/ -- AFAM Oasis, LLC  
is honored to announce the launch of

the ultimate directory for African-American consumers seeking healthcare professionals who share their cultural backgrounds. The firm is dedicated to bridging the gap in healthcare accessibility for African Americans by providing a comprehensive directory of African-American psychiatrists, physicians, social workers, psychologists, and counselors from across the nation.

AFAM Oasis, LLC offers a virtual platform for African-American consumers to help individuals avoid online searches that lead to dead ends or misrepresentations.

This pioneering platform offers a user-friendly website where individuals can effortlessly locate and connect with African-American healthcare providers who understand their unique needs.

The AFAM Oasis, LLC representative stated, "We are delighted to offer a [healthcare directory for African-American consumers](#). We believe in embracing African ancestry that is royal, rich, spiritual, intelligent, and honored."

The firm has curated an extensive compendium of search directories, uniting all African-American healthcare professionals under one digital roof. The platform simplifies the search process, provides health management guidance, and provides timely information on healthcare and culture within the African-American community through its Black News page.

The firm presents a wealth of opportunities for African-American healthcare professionals. The platform enhances its visibility, making it easier for potential patients to find them through its numerous search directories. Additionally, the firm offers a platform for practitioners to connect with relevant professional organizations.

It introduces the Highly Esteemed Sponsor Page, an option for practitioners who wish to

showcase their names and businesses on a page of distinction for a nominal fee.

AFAM Oasis, LLC was created to cater to individuals who embrace their African heritage and American identity. The firm strives to provide a safe space for individuals to seek care, with a preference for practitioners who share their cultural backgrounds.

The representative added, "We seek to make healthcare accessible for those who possess those two identities intermixed with unresolved real-life medical and mental health challenges."

AFAM Oasis aims to empower African Americans to take control of their healthcare journey by simplifying the process and promoting cultural sensitivity.
