NEW YORK, NEW YORK, USA,
September 21, 2023 /
EINPresswire.com/ -- A worldwide
brand and the biggest name in
timeshare.

The world's largest timeshare
company, Wyndham Destinations,
made the headlines for the wrong
reasons.

After losing a court case to a former
employee Patricia "Trish" Williams, many salubrious details of their sales operations have
become public record. Evidence of fraudulent behaviour and abuse of the elderly have been
accepted as fact by San Francisco Superior Court Judge Richard B Ulmer Jr.

“

We regularly hear reports of
this type of sales behaviour
and worse from our clients.
The big name international
brands don't seem to be any
better behaved than the
small independent resorts.”

*Suzanne Stojanovic,
spokesperson for TAC*

A worldwide brand and the biggest name in
timeshare. But can you trust them?

The timeshare giant has been ordered to pay \$18.6 million
in compensation.
