**Uncover, analyse,
and mitigate risks
with confidence**

Key Features and Benefits:

- **Real-time Threat Identification:** STREAM helps organisations swiftly manage emerging threats, providing you with immediate access to critical data and intelligence. Stay vigilant and proactively address potential risks.
- **Comprehensive Risk Analysis:** Acuity's platform offers in-depth analysis of vulnerabilities and their potential impact. By identifying high-priority areas for mitigation, organisations can make data-driven decisions to bolster security.
- **Action Plans:** STREAM assists in formulating actionable plans that guide organisations in responding effectively to identified risks. Be well-prepared and equipped to address threats with precision.
- **Customised Risk Reporting:** Easily generate tailored CT risk reports that provide crystal-clear insights and actionable recommendations. Showcase your commitment to security and compliance with comprehensive data-driven reporting.

With Counter-Terrorism Risk Report by STREAM, Acuity Risk Management is showing commitment to supporting counter-terrorism risk management specifically. Acuity understands that security is an ongoing commitment, and are dedicated to being trusted partners on this journey.

Ready to elevate your counter-terrorism risk management? Visit <http://bit.ly/acuity-ct-report> to find out more about STREAM and CT Risk Report. Discover how STREAM can empower your organisation to navigate today's complex security environment with confidence.

About Acuity Risk Management: Acuity is a leading provider of innovative risk management solutions.
