About CRE8 Independent Consultants

Since 1995, CRE8® Incorporated Independent Consultants have helped organizations plan for Process Improvement, Workflow / ECM Paperless Technologies, Information Governance, and Complex Computer System Replacement.

Our services include consulting, workshops, and conferences; provided on-site or through the internet. As

independent consultants, we work directly for end users and do not sell or represent any technology solution. This allows us to provide an independent voice to help organizations plan for and evaluate process improvement, advanced technology (workflow/ECM), information governance IG plans, and complex computer system replacement options. To learn more about

our services:

- Process and Organizational Improvement
- ECM, Workflow, ERM And Information Governance Planning
- Complex Computer System Replacement Planning
- On-Line Education and Certification (Agile, BPM, Project Management PMP, Lean, Six Sigma)
- Conferences

CRE8 serves national and international organizations in all industry sectors, including Fortune 100, government, and privately held. We conduct process improvement and technology planning projects at the enterprise, department, and workgroup levels for worldwide, national, and local organizations. CRE8 projects are staffed by leading professionals who have extensive experience assisting organizations with planning for process improvement and new technologies. Our consultants provide full knowledge transfer of the tools and techniques that we employ. CRE8 delivers outstanding successes and customer results.

As the President & CEO, George Dunn's visionary leadership has been instrumental in the company's growth and success. Under his guidance, CRE8 Independent Consultants continues to expand its market reach and explore new opportunities in the ever-evolving landscape of direct sales.

George Dunn joins other leading CEO's, founders, and thought leaders that have participated in this informative and popular interview show.
