More than 3,700 nominations were submitted to this year's International Business Awards by businesses and

organizations in 61 nations and territories, for consideration in a wide range of categories including New Product or Service of the Year, Most Innovative Company of the Year, Management Team of the Year, Best New Product or Service of the Year, Startup of the Year and Executive of the Year, among others.

“The winners of the People’s Choice Stevie Awards were able to activate and motivate their customers, employees, social media followers and others to vote for them, and that is a testament to the healthy ties they have to those audiences,” said Stevie Awards president Maggie Miller.
