

Seerist Secures Inclusion in the Tradewinds Solutions Marketplace

The marketplace offers agencies within the Department of Defense a central resource for innovative AI/ML, digital, and data analytics solutions

HERDON, VA, UNITED STATES, September 21, 2023 /EINPresswire.com/ -- [Seerist](#) Inc., the leading

“

Tradewinds praised Seerist's presentation, highlighting the impressive capabilities demonstrated in threat assessment analysis.”

Tradewinds

augmented analytics solution for intelligence, threat and security professionals, is pleased to announce that our Seerist AI-Enabled Threat Intelligence Platform has achieved “Awardable” status through the Chief Digital and Artificial Intelligence Office’s (CDAO) [Tradewinds Solutions Marketplace](#). The Tradewinds Solutions Marketplace is the premier offering of Tradewinds, the Department of Defense’s (DoD) suite of tools and services designed to accelerate the procurement and adoption of Artificial

Intelligence (AI)/Machine Learning (ML), data, and analytics capabilities. Tradewinds has recognized Seerist’s exceptional capabilities and expertise and has deemed the Seerist platform as Awardable.

Being included in the Tradewinds Solutions Marketplace alongside rigorously assessed and vetted organizations is a testament to the quality and value of Seerist's offerings for the Department.

John Goolgasian, president of [Seerist Federal](#), a wholly owned subsidiary of Seerist, Inc., stated, "This validation from Tradewinds is a significant milestone for our entire organization. Seerist's solution combines state-of-the-art AI and ML technologies with the insights of experienced, geopolitical risk experts, empowering government organizations with advanced capabilities to anticipate potential risks and threats efficiently. Additionally, it enables them to navigate vast amounts of threat data swiftly and effectively."

Tradewinds praised Seerist's presentation, highlighting the impressive capabilities demonstrated in threat assessment analysis. Their comments also acknowledged the uniqueness of Seerist's offerings, noting the incorporation of human expertise in the process. The utilization of hundreds of human experts to validate the accuracy of predictions was especially commended.

Seerist Inc. is honored to join the distinguished roster of innovators in the Tradewinds Solutions

Marketplace and looks forward to further advancing the field of augmented analytics for threat and security professionals.

ABOUT SEERIST FEDERAL

Seerist Federal, formerly known as Geospark Analytics, is a wholly-owned subsidiary of Seerist, Inc. It is sponsored by the U.S. Space Force, our SBIR Phase III commercialization contract is a five (5) year firm fixed-price, IDIQ Government-wide contract. This enterprise-level contract provides near real time situational awareness capabilities to the entire U.S. federal government, enabling users to make better decisions faster. We identify and forecast emerging events from social media, news and other sources on a global scale to mitigate risk, recognize threats, greatly enhance indications and warnings and provide predictive analytics capabilities.
