

3SG Plus Unveils Enhanced Website Experience, Streamlined for Customer-Centric Navigation

Optimizes forms for effortless navigation and access to support from every page

COLUMBUS, OHIO, UNITED STATES, September 21, 2023 /

EINPresswire.com/ -- 3SG Plus, a

leading innovator in digital

transformation solutions, is excited to

announce the launch of its revamped

website at 3sgplus.com. Designed to

provide an optimal user experience

while enhancing accessibility to

essential information, the company

has undertaken a comprehensive overhaul to eliminate distractions and quickly deliver

information of interest to customers, prospects, partners and other visitors to the site. This

update aligns the website with the commitment 3SG Plus has made to serving the needs of its

customers and prospects by increasing its focus on core services, case studies, and use cases.

In response to user feedback and industry trends, 3SG Plus has taken significant steps to

enhance usability. Most notably, previously gated content has been brought forward, allowing

users immediate access to valuable data and resources without the need to fill out forms. The

company believes that this approach fosters transparency and empowers visitors to explore the

information they seek more freely and connect at their own point of readiness.

Furthermore, 3SG Plus has revamped its company timeline, showcasing impressive growth and

important milestones achieved over the years. The updated menus and footers now offer a

consistent experience across all pages, facilitating effortless navigation, and enabling users to

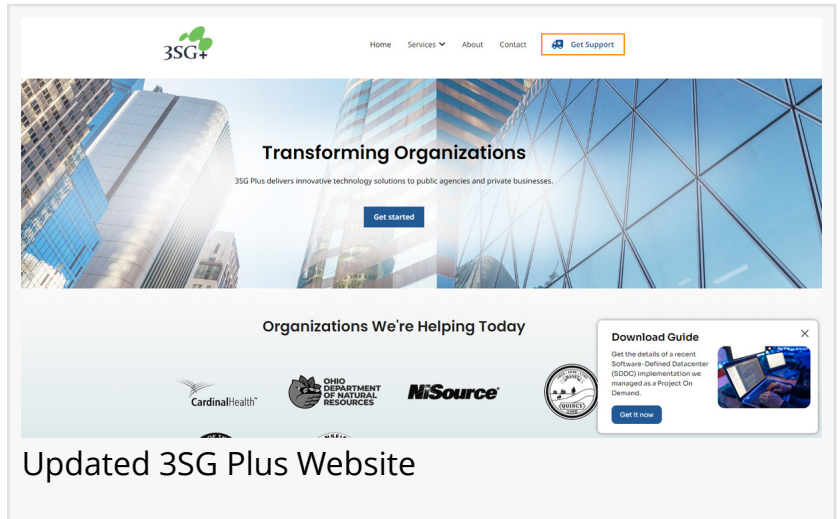

create support tickets from any part of the website. As a finishing touch, the 'about us' page has

been refreshed with new photos, adding a personal touch to the user experience.

This website transformation underscores 3SG Plus's dedication to delivering value to its

audience and reflects its ongoing commitment to user-centric design principles. Visitors can

explore the enhanced website at 3sgplus.com to discover the company's latest offerings and

Updated 3SG Plus Website

explore the possibilities offered by 3SG Plus. The site details the 3SG Plus suite of solutions including professional services for Hyland OnBase and the Accela Civic Platform, Project-on-Demand Services, Technology Resource Augmentation, Managed HR, Accounting and Engineering Services, and enhanced Document Imaging.

About 3SG Plus:

A Minority-Owned LLC headquartered in Columbus Ohio, 3SG Plus is a leading technology solutions company specializing in Digital Transformation. Offering civic platform and enterprise content management implementation, secure document imaging, and outcome-based staff augmentation, 3SGPlus is dedicated to delivering org-wide solutions that empower utilities, government agencies, and private enterprises to streamline operations, enhance efficiency, and provide superior services to their customers and constituents.
