2023 RADIO TV

September 12, 2023 -- Robert Weiner interviewed by Carole Walker, producer Mike McCarren on London Times Radio -- Bob asserted, "Pure deflection of Trump's 4 indictments cases, 91 charges and real-time trials, on real things with real witnesses and real evidence that will be going on. So pure desperation on their part. Will backfire as did Clinton's impeachment for not telling on his girlfriend (which as you know I was subpoenaed on and had to testify on to Starr in his fishing expedition-- and which I called "Big Brother at Its Worst" with lead coverage on Brokaw, Jennings, "GMA", "Today", etc). So now, it's reality and serious stealing democracy, obstructing, and fomenting a riot -- Trump-vs gee a Biden son's lie because didn't want to admit he was addicted.

The American people know the difference."
