

LegalSifter Acquires LawGeex Enterprise Business

Strengthens Market Position and Expands Reach

PITTSBURGH, PA, USA, September 25, 2023 /EINPresswire.com/ -- LegalSifter, the leading provider of AI-powered

software and services for contract review and administration has acquired a strategic group of enterprise clients from LawGeex, an AI-powered contract review automation company. The acquisition will generate additional revenue for LegalSifter and optimize operational efficiencies.

“

Integrating these companies into our client base represents a tremendous opportunity for us to fortify our market position, expand our reach, and expand our capabilities in serving our clients”

LegalSifter CEO Kevin Miller

The newly acquired client base includes dozens of companies across industries including technology, manufacturing, healthcare, and financial services, and includes 17 Global 2000 organizations. LegalSifter is excited to welcome these businesses to its client base, as it further cements the company's position as a go-to solution provider for companies seeking efficient contract management solutions based on artificial intelligence and human expertise.

“Integrating these companies into our client base

represents a tremendous opportunity for us to fortify our market position, expand our reach, and expand our capabilities in serving our clients,” explained LegalSifter CEO Kevin Miller.

“Our focus will be to deliver a world-class service experience to our new clients, better understand their unique needs, and offer a broader set of software and services to address their contract pains,” he added.
