

Mobility City Holdings Inc Celebrates Two Years Serving Mobility Equipment Owners in the Kansas City Metro

Jim and Brad King had a mission: to help mobility impaired people with the repair, rental, and sale of equipment from their Mobility City of Kansas City store

BOCA RATON, FL, US, October 3, 2023 /EINPresswire.com/ -- [Mobility City Holdings, Inc.](#), the premier retail network in \$8 Bn healthcare market for wheelchairs, power chairs, mobility scooters, and recliner lift chairs, announced today that its [Mobility City of Kansas City](#) franchise celebrated its second anniversary. Kansas City Metro residents with disabilities that result in mobility issues can visit the showroom for equipment repair, rental, and sales. Or if they are homebound, a mobile technician can come to their home for onsite service.

"Jim and Brad King have done an outstanding job representing the Mobility City brand in the Kansas City Metro. We are very proud of the work they're doing to improve the lives of people in need of mobility equipment services," said Diane Baratta, CEO, Holdings, Inc. "We are thrilled to celebrate their second anniversary in Kansas City," said Diane.

Mobility City Holdings, Inc., is the premier provider of mobility equipment sales, repairs, and rentals to mobility impaired persons.

Both Brad and Jim King wanted a business where they could help their community. This father

and son team brings 25 years of management experience to the business, and 10 years of technical and sales experience to help people solve their mobility issues. "We are happy to help our neighbors experience a better quality of life. We look forward to continuing to serve the Kansas City community for many years to come," said Brad and Jim, Franchise Owners.

"Jim and Brad King opened their showroom in July 2021 and have served thousands of persons with the repair, rental and sale of mobility equipment," said Vincent Baratta, Mobility City Inc., COO. "The Kings have worked hard to provide the people of Kansas City with the best possible mobility solutions and have become a trusted resource in the community."
