The Dangbei Neo is Dangbei's most travel-friendly projector yet. At just 3.94 inches thick and weighing only 3.13 pounds, it's the lightest projector from Dangbei so far. Despite its compact size, it can deliver an expansive 120" image with vivid colors - ideal for on-the-go entertainment. It also features built-in Netflix support, facilitating the seamless streaming of preferred content in any location. The Dangbei Neo harmoniously blends convenience and performance, simplifying the enjoyment of large-screen entertainment.
