MARBELLA, SPAIN, September 25, 2023 /EINPresswire.com/ -- Automobili Lamborghini, the renowned Italian luxury car manufacturer, has chosen the luxury setting of Marbella, Spain for its first European venture into the branded luxury property market.

Set in the hills of Benahavis, one of Spain's richest neighbourhoods and just a 10-minute drive from Marbella

and Puerto Banus, this project of just 53 large individual villas is sure to set new standards for the Marbella [luxury real estate](#) market. With a design inspired by the iconic sports car manufacturer, the attention to detail is every bit as precise as one would expect, with all villas offering panoramic views of the Mediterranean Sea. There will be 24/7 security plus a 24/7 concierge service for all owners.

“

Pre-launch prices for these Marbella villas will not be with us for long so I am encouraging our clients to consider this opportunity sooner rather than later”
