There are few seats remaining. Don't miss this very important RNG Conference.

We have some of the real leaders in the Southeast RNG market. These are the companies leading RNG efforts in the Southeast”
Tom Gellrich, founder and CEO RNG Directory

Given the Southeast U.S. is a major livestock producer, it can leverage an array of natural gas pipelines, and is growing in population and energy usage/need. It's the perfect location to capitalize on Renewable Natural Gas (RNG). Five to the thirteen states with the greatest RNG production potential are in the Southeast.

A number of companies are already taking advantage of the RNG market in the Southeast. These companies will have featured speakers at RNG Directory's Southeast RNG Conference on October 4, 2023 at the Hilton Charlotte Airport. These “first-movers” has enjoyed success in the RNG Market and will be sharing their experiences with the registrants at the conference.

The Southeast RNG Conference will feature the following speakers:

- Zach Chapin - Dominion Energy
- Gus Simmons - Cavanaugh & Associates
- Mike Fenton - The Landfill Group
- Brad Huxter - Trillium Energy
- Chelsa Oren - EcoEngineers
- Ken Thomson - Mustang Sampling/Valtronics
- David Wentworth - President and CEO of Evensol

“We have some of the real leaders in the Southeast RNG market,” stated Tom Gellrich, founder and CEO, RNG Directory. He further added, “These are the companies leading RNG efforts in the Southeast.”

The Southeast RNG Conference will afford unique opportunities for companies looking to enter

or expand their business into the rapidly growing RNG sector.
