

# Seerist's Foreign Influence Assessments Accepted into Tradewinds Solutions Marketplace

*Capabilities enable government agencies to analyze and assess Great Power Competition*

HERNDON, VA, UNITED STATES, September 26, 2023 /EINPresswire.com/ -- [Seerist](#), Inc., the leading augmented analytics solution for intelligence, threat, and security professionals, is pleased to announce that our Foreign Influence Risk Index (FIRI) has achieved "Awardable" status through the Chief Digital and Artificial Intelligence Office's (CDAO) [Tradewinds Solutions Marketplace](#). The Tradewinds Solutions Marketplace is the premier offering of Tradewinds, the Department of Defense's (DoD's) suite of tools and services designed to accelerate the procurement and adoption of Artificial Intelligence (AI)/Machine Learning (ML), data, and analytics capabilities. Tradewinds has recognized the immense support that the FIRI solution can provide to agencies in their analysis of great power competition.

## SEERIST

Seerist, Inc. is the leading threat and risk intelligence monitoring solution.

The inclusion of Seerist's FIRI in the Tradewinds Solutions Marketplace, alongside other rigorously assessed and vetted technologies, stands as a testament to the exceptional quality and value of Seerist's offerings. The Tradewinds assessment expressed the significance of FIRI's AI capabilities in assessing the influence and impact of foreign entities amidst the growing importance of understanding great power competition. Furthermore, the vetting process for the Tradewinds Solution Marketplace fully satisfies US Federal competition requirements, expediting the procurement process for DOD agencies.

John Goolgasian, president of [Seerist Federal](#), a wholly-owned subsidiary of Seerist, Inc., said, "We appreciate the recognition that Seerist's AI capabilities can support this type of analysis. Inclusion in the Tradewinds Solution Marketplace underscores the value that organizations are seeing when using artificial intelligence and machine learning to parse through millions of data sets and find patterns and insights very quickly."

Seerist Inc. remains committed to empowering intelligence, threat, and security professionals with cutting-edge augmented analytics solutions, aiding them in making informed decisions in the ever-evolving landscape of national security.
