

Indie Game Studio Falling State Inc. Announces Debut Game “Earl vs. the Mutants”

Ditch the Crawl, Embrace the Carnage: Why Walk When You Can Drive in This Top-Down Action Roguelite

SALT LAKE CITY, UTAH, UNITED STATES, October 4, 2023 /EINPresswire.com/ -- Coming off the buzz of their company reveal, Falling State Inc. cranks it up a notch with the announcement of their debut game, “Earls vs. the Mutants.” If a game centered around mutant-smashing chaos doesn’t scream “we’re here to dominate,” what does?

– About the Game –

Buckle up as Earl, humanity’s last line of defense against mutant mayhem in this top-down driving rogue-lite. In “Earl vs. the Mutants,” smashing, crashing, and wrecking havoc are your primary missions. Engage in thrilling boss fights against mutant leaders, and customize your ride with dynamic in-run enhancements. Unlock badass vehicles with unique abilities, all while enjoying quick, 10-25 minute gameplay sessions.

This fresh take on the survivor genre flips the script—your goal is to collide head-on with enemies, not avoid them.

– Coming Soon™ –

While the release date is still under wraps, you can catch the announcement trailer and add it to your [Wishlist on Steam!](#)
