

CORE Gaming Connects College Gamers

CORE Gaming Partners with Top Brands to Deliver Top-Class Gaming Tech

YORBA LINDA, CA, UNITED STATES, September 25, 2023 / EINPresswire.com/ -- These days, returning to college isn't just about hitting the books and attending lectures. It's a life experience. That includes connecting with old friends and new ones, not only in coffee shops or common rooms but also on virtual battlefields and other realms. To help gamers get the most out of their gaming experiences, [CORE Gaming](#) partners with top brands to deliver top-class gaming tech.

“Gaming is a way to bond, unwind, and stay connected with friends, both near and far,” explains Paul June, VP of Marketing for CORE Gaming. “Gamers just want to be able to play and socialize, especially when they’re away at school. They shouldn’t have to worry about getting their gear from place to place or about it performing reliably. That’s where CORE Gaming comes in.”

From backpacks to organize and transport gear, to keyboards, controllers, and more, all products sold by

CORE Gaming are vetted for performance, reliability, and style:

[CORE Gaming Backpack](#)

The popular Core Gaming Backpack is tailor-made for gamers. It accommodates a wide range of popular gaming laptops and consoles. With three spacious compartments pre-wired for power banks, it's ideal for moving mobile gear and keeping it charged. Four accessory pockets are handy for cables, phones, gaming peripherals, and even water bottles. It includes a checkpoint-friendly laptop compartment, a fleece-lined pouch for tablets, a headphone holder, and room for personal items.

Three versions of the CORE Gaming Backpack are available:

- Velcro (features hook and loop panel for attaching school, company, and team patches)
- Molded Front Panel (offers a sleek, industrial look)
- Special Edition (produced in limited quantities, featuring white trim and accent colors)

CORE Gaming Tactical Backpack

The award-winning CORE Gaming Tactical Backpack is like the Gaming Backpack's big brother. It's for serious gamers who need lots of room and serious protection for their gear, plus configurable storage.

[Alienware Area-51m Elite Backpack](#)

(Special Edition)

The special edition, legacy Alienware Area-51m Elite Backpack sports a distinctive white exterior with a reflective Alienware head logo and silver interior. It's a great way for gamers to show off some style and personality. With a spacious 40-liter storage capacity, three compartments, six exterior pockets, and seven interior pockets, it's also a great way to store and organize gear.

Cherry G84-4420 Compact-Keyboard

The Cherry G84-4420 Compact Keyboard in sleek black boasts individual keys with Gold Crosspoint contacts. It's designed for continuous usage, with over 20 million confirmations per key. Featuring an integrated optical trackball with two mouse buttons, it's ideal for limited spaces. Light and ultra-slim at just 20 mm in height, the 83/84 keyboard layout includes all standard functions.

HyperGear 4-in-1 Gaming Kit Red Dragon

The 4-in-1 Gaming Kit from HyperGear offers a budget-friendly, all-in-one gaming solution. It includes a full-sized keyboard, a 6-button ergonomic scroll-wheel mouse, surround sound stereo
