

Armada Design & Build Expands its Services to the Seattle Area

Bellevue-based company broadens its footprint in the Pacific Northwest

BELLEVUE, WA, UNITED STATES, September 26, 2023 / EINPresswire.com/ -- [Armada Design & Build](#), the Bellevue-based leader in innovative architectural design and quality construction, announced today that it is expanding its premier services to the Seattle area. Recognized for its commitment to excellence and bespoke craftsmanship, the company's expansion underscores its rapid growth and unwavering commitment to its Pacific Northwest clientele.+

Founded in Bellevue, Armada Design & Build has built a reputation on its intricate understanding of the needs and desires of the local community. With this expansion into Seattle, more residents and businesses will have access to the company's award-winning designs and construction solutions.

“

This expansion isn't just about business growth – it's about nurturing the bond we've built with the communities we serve”

Charlie Carter

“We are thrilled to embark on this new chapter for Armada Design & Build,” said Charlie Carter, General Manager of Armada Design & Build. “Seattle is a dynamic city with a diverse architectural landscape. We see this expansion as an opportunity to meld our proven expertise with the unique aesthetic and functional demands of the city's growing communities.”

Armada Design & Build's portfolio boasts an array of

projects that have transformed the Bellevue landscape. From modern, sleek office spaces to luxurious residential properties, the company has consistently delivered projects that meld form, function, and forward-thinking design. As the company sets its sights on Seattle, potential clients

can expect the same level of detail, professionalism, and creativity.

The Seattle Edge

Seattle, known for its iconic skyline, lush green spaces, and burgeoning neighborhoods, presents unique architectural and design challenges. Armada Design & Build is well-equipped to navigate these challenges, leveraging its local understanding of Bellevue and the broader Pacific Northwest.

The company is keen to deliver projects that reflect Seattle's unique character while ensuring that each design is tailored to the specific needs and preferences of the client. Armada's approach is client-centric, emphasizing open communication, collaborative design processes, and unmatched craftsmanship.

Growth and Innovation

This announcement is a testament to Armada Design & Build's growth trajectory. The company, while deeply rooted in Bellevue, has always kept an eye on regional trends and opportunities. The move into Seattle is a calculated step in its broader strategy to remain at the forefront of the design and construction industry in the Pacific Northwest.

"We owe our growth to our incredible team and our loyal clients," Charlie Carter commented. "This expansion isn't just about business growth – it's about nurturing the bond we've built with the communities we serve."
