

ZorroSign Announces Growth Partnership with Vision Tech Solutions

Strategic Reseller Partnership Brings ZorroSign's Data Security Platform to New Markets

“

We are thrilled to partner with Rajab and his team at Vision Tech, and eager to see what our combined technology solutions can achieve for companies in the UAE and larger MENA region.”

Shamsh Hadi, CEO & Co-Founder at ZorroSign

PHOENIX, AZ, UNITED STATES, September 26, 2023 /EINPresswire.com/ -- ZorroSign, Inc., a global leader in data security solutions built on blockchain, today announced a strategic partnership with Vision Tech Solutions in the United Arab Emirates. This partnership will unite ZorroSign’s data security platform and blockchain technologies with Vision Tech Solution’s IT infrastructure and services across the Gulf region. Initially as a reseller, Vision Tech Solutions will bring ZorroSign to new companies and new markets as the partnership deepens with integrated capabilities and technology alignment.

“We are thrilled to partner with Rajab and his team at Vision Tech,” said Shamsh Hadi, CEO and co-founder of ZorroSign. “Their customer service focus and top quality IT services map well to ZorroSign’s values and data security strengths. We are eager to see what our combined technology solutions can achieve for companies in the UAE, the larger Middle East and North Africa region, and later into Europe.”

ZorroSign was founded with a commitment to advancing technology while advancing sustainability, and ZorroSign’s goal is to help customers adopt sustainable practices and securely transform paper-based workflows into digital workflows. This conscientious approach to operations helps to decrease costs, lower resource consumption, reduce data errors, and increase productivity. Businesses, educational institutions, financial organizations, governments, IT firms, legal service providers, real estate companies, and others use ZorroSign to privately and securely manage their digital transactions.

“Vision Tech aspires to be a global leader in Information Technology, driving technological advancements and delivering sustainable solutions that improve the lives of people around the world,” added Rajab Virani, CEO at Vision Tech Solutions. “ZorroSign is an ideal technology

partner for us—not only bringing a practical, scalable blockchain solution to data security and digital signatures, but doing so with an overarching commitment to sustainability.”

ZorroSign today has an extensive customer base for its data security and digital signature solutions built on blockchain in Gulf Cooperation Council (GCC) countries, India, Sri Lanka, the United States, and Canada. The technology company is aggressively expanding into European markets next and seeking new strategic alliances across the EU and UK in 2023.
