Jess shares with fans that despite any previous mistakes or decisions they have made, they are deserving of love and support. Just like her love interest in the song, the audience should avoid drowning their sorrows and instead look forward to the brighter future ahead of them. Jess feels that even though being loving and vulnerable can end in hurt, life is short and the journey is worth the risk. So, she encourages all to take risks in love despite "The Baggage" they may carry.

"'The Baggage' is about loving and admiring someone for being perfectly them. I feel this message has been lying on my heart for so long and this song is me reaching out my hand to

inspire others to follow," says Jess Kellie Adams.

"It's hard to get through life without some sort of baggage, no matter how good you have it. This song shines the spotlight on how to love someone unconditionally, the 'good with the baggage.' I am proud of Jess for being the voice of love and compassion on her latest release called 'The Baggage' that we co-wrote together. I think we can all learn a little something from the message in this song!" says Dean Sams of Lonestar.

Explore the soul-warming lyrics below:

"I'm not goin' anywhere  
if that's what you're wanting me to do.  
I remember you there for me  
when I was in your shoes.

You just held me  
while my heart was breaking.  
Now it's my turn, my turn  
to do the saving.

I know you think that the world is  
ending.  
Yeah I get it, yeah I get it.  
I bet you think that the booze will fix it

but it won't fix it, no.

Love can hurt and lonely happens.  
Life is short and pain is lasting.  
We all got problems, a few bad habits.  
I'm gonna love you, the good with the baggage."

Her brazen lyrics drive home with fierce vocals carved from the leading "only one name needed" ladies that serve as the foundation and current face of the genre. It's her authentic connection to

Raving Reviews for Jess Kellie Adams

"Jess Kellie Adams opened for us twice in 2022 and was top shelf. She leaves it all on the stage and really engages the crowd with an energetic, fun and honest show. Jess is a great entertainer, singer, and up and coming artist! If you're looking for a true professional that loves what she does, Jess makes a great opener for any national act!" – Dean Sams, Founding Member/Piano Player of the multi-platinum selling group Lonestar

"What a pleasure it is to know Jess Kellie Adams as a friend but also as an artist. I'd have to say she and her group are some of the easiest people to work with! No drama, no attitudes, no vulgar language, no drugs or alcohol, just one heck of a show! If you book this young lady for your event, you can rest assured, she will give you 100% on and off the stage!" – Ken Woodward, Vice President of Variety Attractions.

"Jess Kellie Adams is just about the most passionate performer I've ever seen. Her love of the music and her desire to touch the hearts of her audience immediately shows from the moment she picks up her guitar and starts belting out a tune. Jess' own compositions are deeply personal, and yet we can all relate in our own way. Jess is just about the most infectious performer out there. We love her. And when we've had Jess at our station events and concerts, she's always

knocked 'em dead.” – Dave Woodward, Program Director New Country 92.1 The Frog

“In addition to being an absolute pleasure to work with, Jess drew excellent crowds at all of her shows. I would highly recommend her to any fair, park, or music venue that wants an exciting and original country concert that appeals to patrons of all ages.” – Ashley D. Brown, Georgia National Fairgrounds & Agricenter
