At the Strong House Foundation, our mission is to work alongside educators, counselors, and case workers to promote the health and well-being of the next generation. Our community is dedicated to engaging at-risk youth

through a variety of group activities such as physical training, arts and crafts and more. Expressing love to our members, as soon as they arrive, allows them to feel safe in our establishment. Providing various athletic activities, arts and crafts, tutoring and bible study allows us to form a connection that they may never have had before.

The Strong House Foundation is a Christ-centered 501(c)(3) that offers academic tutoring, physical training, leadership training and biblical principles to underserved youth. They also build the youth to become physically, mentally and spiritually stronger in Christ. Through early intervention, Strong House works to redirect the paths of these children with love, encouragement and support.
