REPRESENTING HUSBANDS & FATHERS

Dow Divorce Law

"My mother never kept me away from my father, but he only interacted with me through phone calls. I advocate for fathers so that children, like me, have the opportunity to build meaningful relationships with their dads, something I missed out on with my father. Witnessing my children bond with their dad has been one of the most precious gifts in my life. Every child with a loving and stable father deserves to experience that."

Founder and Managing Attorney Adelola Sheralynn Dow, Esq., is a licensed attorney in both New York and New Jersey alongside Divorce and Family Law Attorney Loui-Ann MacKnight, Esq. Ms. Dow's extensive legal career includes serving as an attorney to two matrimonial judges, one in New Jersey and the other in New York, providing her with unique insights into the intricacies of family law. Ms. MacKnight was a paralegal for nearly a decade before becoming a public interest attorney who fights the Administration for Children's Services to secure the rights of parents.

The Dow Divorce Law, P.L.L.C. team is passionate about ensuring that husbands and fathers are not marginalized by the court system. The firm provides unwavering support and advocacy during what can be one of the most challenging times.
