

Free Paint Recycling Event in Colorado Springs Saturday, September 30th 9am -1pm

*This Saturday, September 30th from 9am to 1pm
GreenSheen Paint will be hosting a FREE paint
recycling event with Westside Community Center.*

COLORADO SPRINGS, COLORADO, USA,
September 26, 2023 /EINPresswire.com/ --
GreenSheen Paint is excited to host a FREE Paint
Recycle Drive on Saturday, September 30th from 9
a.m. to 1 p.m. at Westside Community Center, 1628
W Bijou St, Colorado Springs, CO 80904.

This initiative invites local residents, Realtors,
businesses, and contractors to participate and
bring in their unused, unwanted, and leftover paint
for recycling. The service is offered free of charge.

Last year, numerous recycling programs enabled
significant savings of paint from landfills, and the
aim is to make paint recycling accessible to an even
wider audience through events like these.

Paint Recycling Requirements:

Paint must be in original, non-leaking, labeled containers.

Accepted containers include sample sizes and one- to five-gallon containers.

Recyclable materials include oil-based, acrylic, and latex paints, as well as stains, shellacs,
lacquers, sealers, varnishes, and urethanes.

Items that will not be accepted include spray paint, paint thinners, solvents, cleaning agents,
adhesives, roof patch materials, drywall mud, driveway sealer, automotive paints, and other
hazardous wastes.

The collected paint will be converted into GreenSheen's premium, eco-friendly latex paints,
providing a sustainable alternative to regular paints. GreenSheen Paint is dedicated to
sustainability, operating recycling facilities in Denver, CO, Kent, WA, and Rotterdam, NY, and has
