

# Wreckless Strangers Release New EP "Orange Sky Dream" and Announce Exclusive Fan Giveaway

SAN FRANCISCO, CALIFORNIA, UNITED STATES, September 29, 2023 /EINPresswire.com/ -- Bay Area-based supergroup [Wreckless Strangers](#), have released their eagerly awaited EP, [Orange Sky Dream](#). The six-piece band teamed up with 4x GRAMMY award-winning producer Dave Way (Whitney Houston, Aretha Franklin, Sheryl Crow, Phoebe Bridgers, Moonalice and more) to bring Orange Sky Dream to life.

Orange Sky Dream derives its name from a powerful and timely source of inspiration – the environmental crises gripping the planet, particularly in the band's home state of California, where San Francisco was famously blanketed by orange skies in 2020 due to wildfires. Beyond environmental advocacy, Orange Sky Dream explores diverse themes, from female empowerment to fostering empathy in a world that often seems divided. These messages are skillfully woven into a musical tapestry of rockin' guitar solos, captivating beats, and of course, the Strangers' distinctive fusion of blues, R&B, Americana, and rock 'n' roll.

Amber Morris (lead vocals) reflects, "Orange Sky Dream contains a lot of personal and shared experiences that were born in a unique time frame, which set the table for a lot of emotion and truth to spill out musically. Our incredible producer Dave Way magnified the Wreckless sound. He met us where we were at, and took us further than we've ever been. He's a musical powerhouse, with so much creativity and knowledge!"

In celebration of the EP's release, Wreckless Strangers have launched a giveaway. Fans can enter
