Technologies is excited to announce the launch of their web app, [Beeble Platform](#), on the popular software marketplace AppSumo. For a limited time, Beeble is being offered as an exclusive lifetime deal, representing a massive discount from its regular price.

Beeble is a privacy-first email platform that offers [encrypted emails](#) and cloud storage without third-party access. Some of the Key Features of the Platform:

- Send encrypted emails to any provider including Gmail, Outlook, and Apple Mail from one user-friendly platform that works on any device.
- Send self-destructing emails that expire after a specific deadline.
- Send emails without any size limits
- Store up to 1 TB of files in the cloud
- Host and share your files securely in the Beeble cloud.
- Access your files securely from any device

With all those awesome features, Beeble keeps the platform free of ad banners, pop-ups, and visual clutter, making it simple to use.

Beeble No Trackers

Beeble Email Update

"We are thrilled to announce that our small, but mighty team are launching our brainchild - Beeble. A platform where you can compose secure emails, store and share your private files on our [encrypted Cloud](#) while remaining completely shielded. Most importantly, we run no trackers, no ads, no third-party snooping — experience new realm focused on your privacy in digital era!," said Pavels, Chief Design Officer of Sikneco Technologies. "We steer clear of bureaucracy. Our tight-knit group of entrepreneurs is united by a common goal: crafting an all-encompassing, secure ecosystem tailored to everyone's needs."

"Join our #Beebler movement and become one of us."

AppSumo is well-known for featuring top apps and software at huge discounts. Beeble lifetime deal means customers pay just a single low price for a license to use the app forever. This represents incredible value compared to paying monthly or yearly subscriptions.

The lifetime deal is available for a strictly limited time only via AppSumo. At just 119 usd, early adopters can gain access to Beeble for life with 1 TB storage, 2,000 messages per day, 100 aliases and 60 day money-back guarantee. After the deal ends, Beeble will retail for 230 eur per year.

Sikneco Technologies is urging interested users to act fast and take advantage of this limited-time offer before it expires. To learn more and grab the Beeble lifetime deal visit:
