COLUMBUS, MISSISSIPPI, UNITED STATES, September 26, 2023 /EINPresswire.com/ -- The DOUGLAS USA LLC – CONSULTANCY (DOUGLAS USA) announces that [Waste Pro](#) approves the DOUGLAS USA primer handout on how City of Columbus citizens should dispose of large household items. The new Waste Pro primer handout describes where City of Columbus citizens, with proof of residency, can dispose of furniture, mattresses, carpet, appliances, and tires for free from 8:00 a.m. to 5:00 p.m., Monday through Friday at its 1600 12th Avenue South location, and electronics like computers, keyboards, and televisions for a five-dollar fee from 7:00 a.m. to 4:00 p.m. at its 701 6th Street South location. [The City of Columbus](#) website will provide the Waste Pro large household items disposal primer as a download.

"We created the new Waste Pro primer because the City of Columbus does not pick up large household goods, and citizens need to know that a viable solution exists for their unwanted goods.," says Doug Kilarski, senior analyst, author, editor, and facilitator at DOUGLAS USA and co-chairperson of [Pick It Up! Possum Town](#). "These items must not be left curbside on City of Columbus streets because they are unsuitable for regular garbage pickup." If residents leave these items on the curbside in the future, they will violate city ordinances and become subject to warnings and possible fines."

Waste Pro USA Large Household Items Disposal Primer by DOUGLAS USA

The need for instructions on properly disposing of large household goods arose during planning for the upcoming Keep Columbus Beautiful Tired of Tires clean-up event on Saturday, October 28th, from 8 a.m. to 11:00 a.m. In preparation for the event and beginning immediately, the City of Columbus asks citizens to help locate unwanted and illegally dumped tires in the community. Motivated citizens should alert SASHA JAMES or VERONICA STEWART of Keep Columbus Beautiful and the City of Columbus Code Enforcement Department of unwanted tires to pick up during the October 28th tire harvesting event and their knowledge of illegally dumped tires in the community. Citizens can put tires safely on their property's curb no sooner than Friday, October 27th, and coordinate their pickup with the City of Columbus Code Enforcement Department.
