

Diversity Visa Program to open registration for the 2023 (DV-2025) DV Program: A great chance to Win a Green Card

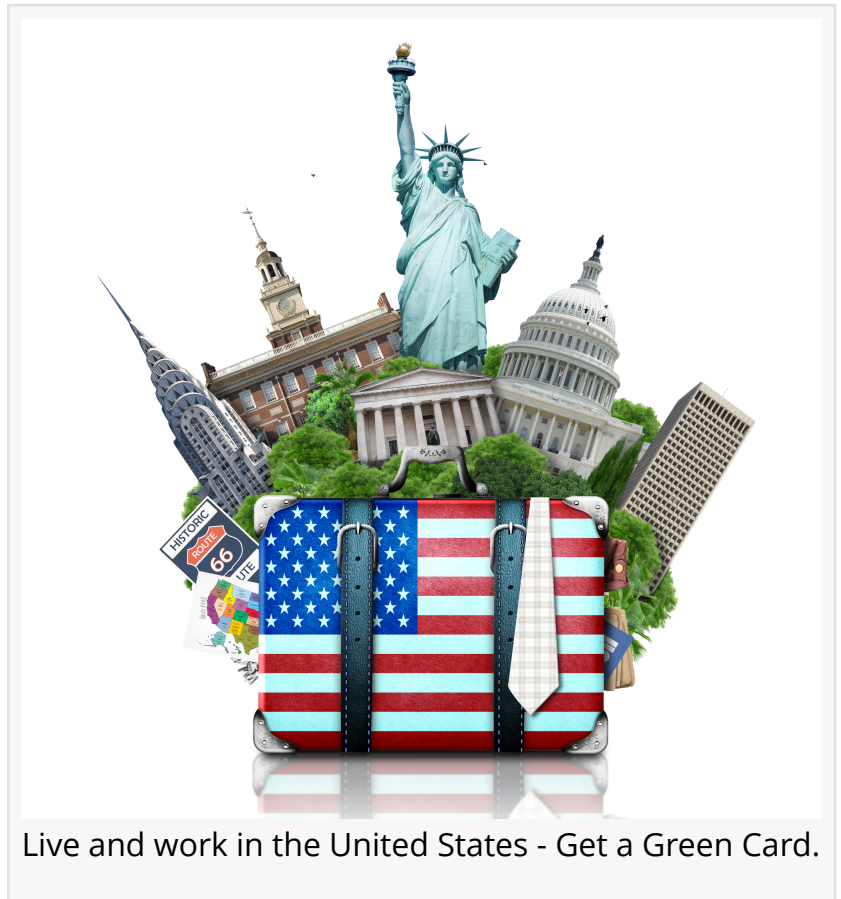

Get ready, aspiring immigrants: The highly anticipated Diversity Visa Program is gearing up to open registration for the DV-2025 first week of October 2023

DOVER, DELAWARE, UNITED STATES, September 27, 2023 / EINPresswire.com/ -- The Diversity Visa Program, also known as the Green Card Lottery Program, run by the US State Department, offers a unique opportunity for individuals from underrepresented countries to secure a Green Card and make their American dreams come true.

Every year, between October and November, the US State Department conducts the Green Card Lottery, a one-month-long affair that captivates the global population. The program aims to bring diversity to the United States by issuing up to 55,000 Green Cards on a random draw basis to individuals from countries with historically low rates of immigration to the US. [A full list of qualifying countries are listed here.](#)

Entrants must be born in an eligible country to be eligible for this life-changing opportunity. However, countries that have witnessed more than 50,000 of their citizens immigrating to the US within the previous five years are excluded from participating. The applicant must also demonstrate either a high school education or two years of work experience in an occupation that mandates at least two years of training or expertise.

The registration process for the Diversity Visa Program is exclusively online, with applications submitted through the [DV program website](#). The best part - registration is free of charge, ensuring all individuals have equal access to this opportunity. Upon submitting their personal information, applicants will receive a unique confirmation number as proof of their entry.
