community engagement and social responsibility, positioning us among the top 50 community-minded companies in Orange County, California. We are proud to stand shoulder to shoulder with esteemed organizations such as Pacific Life, PIMCO, Edwards Lifesciences, Experian, and many others who share our dedication to making a meaningful impact at both local and global levels.

The Civic 50 OC award is a testament to Artemis' enduring dedication to corporate social responsibility and active participation within our community. It stands as a resounding endorsement of our unwavering support for Miracles for Kids, our cherished charity partner. Beyond our financial contributions, we extend our support through pro bono executive search services, actively working to deliver top-tier talent that will drive the charity forward. Our team is also dedicated to investing countless hours to volunteer in Orange County, CA, directly impacting families in need. This holistic approach to community engagement reflects Artemis' deep-seated belief that creating lasting change requires not only financial investment but also the dedication of time, expertise, and resources. The company is proud to be recognized for its comprehensive commitment to making a meaningful impact, not only in the world of business but also in the lives of those it serves through its partnership with Miracles for Kids. At Artemis, we believe in building a happy workforce, starting with our own, where we can cultivate a culture of service. Our commitment to employee well-being and fulfillment plays a pivotal role in igniting a collective desire to volunteer and support the communities around us.

Founder and CEO, Chris Relth, further remarked, "Being recognized as one of the most

community-minded companies in Orange County is an incredible honor. Our team takes immense pride in providing support to our clients and community, and this award serves as a validation of their dedication."

The Civic 50 OC Honorees are dedicated to fostering a culture of service and community care while pursuing their business objectives.
