Football Manager 2024 Innovations

FM24 Intermediaries: A New Approach

A sports agent is essentially an intermediary who acts on the behalf of professional athletes, managers/coaches and sports organizations in third party negotiations."

Google when you put the query: intermediaries in football

What Are Intermediaries?

Intermediaries assist in the player selling process, streamlining the valuation and negotiation phases.

The Importance of Intermediaries:

Facilitates interest generation in players available for sale.

Agent Interaction: Enhanced Insights

Traditional Approach:

Previously, the process was more about estimation and hope.

Updated Approach:

Direct communication with agents, more accurate player valuation, and fewer unfavorable deals.

Digital Partnerships: TransferRoom
Traditional "Offer to Clubs" Option:
Earlier versions had a more generalized approach to offering players to clubs.

The Modern Solution: TransferRoom
Football Manager 2024 introduces a collaboration with TransferRoom, a digital platform for player transfers, offering a more efficient method than the previous "offer to clubs" option.

Transfer Status Screen Updates

The transfer status screen now offers a dynamic dashboard with improved classifications and functionality.
