/EINPresswire.com/ -- Kansas City Artist Gio Franklin, just charted at number one on September 20, 2023 with his single "Dollar." The song accomplished this significant milestone on the charts after just two weeks of releasing his single. That's right out of 150 Independent Recording artists on Digital Radio Tracker he has managed to chart all the way at the top. This is very impressive considering he didn't have the official music video launched until now. Dollar, is a song that resonates with people of all ages and this song is capturing the ears of fans worldwide. Qadree El-Amin, produced the video with a nostalgic Beach Vibe and we must say that Qadree, accomplished exactly what he set out to do.
