

Autoflow announces text-to-pay integration with 1stMILE for faster, simpler, and secure payment processing

DALLAS, TX, USA, September 28, 2023

/EINPresswire.com/ -- Autoflow

announces its [text-to-pay integration](#) with 1stMILE, a solution that gives Autoflow clients the ability to effortlessly send their customers a text message or email that includes a link to pay their bill online. Shops can get paid faster through text-to-pay, which meets the highest security and PCI compliance standards.

“

We are excited to announce our partnership with 1stMILE, which brings a new level of convenience to clients at repair shops. We look forward to streamlining the payment process & customer experience.”

Chan Patel, Autoflow's vice president of sales & business development

Customers no longer need to wait in line to pay, and service writers don't need to collect credit card information over the phone. Text-to-pay offers a straightforward, contactless method of processing payments and also includes detailed reporting for easy reconciliation.

“We are excited to announce our partnership with 1stMILE, which brings a new level of convenience to clients at repair shops. With the option of text-to-pay, we are looking forward to streamlining the payment process and enhancing the overall customer experience,” shares Chan Patel, Autoflow's vice president of sales and business

development. “Together, we're paving the way for a more efficient and customer-centric future.”
