[MarketsandMarkets Conferences](#), a

renowned leader in organizing industry-focused events, is thrilled to announce [ETAP-Lab](#) as the distinguished Speaking Partner for the upcoming [6th Annual MarketsandMarkets Neuroscience R&D Conference](#). This prestigious conference is scheduled to take place on October 9th - 10th, 2023, at the esteemed Ibis London Earls Court Hotel & ILEC Conference Centre.

The MarketsandMarkets Neuroscience R&D Conference has consistently served as a prominent platform for neuroscience professionals, researchers, and thought leaders to converge and exchange groundbreaking ideas. ETAP-Lab's participation as the Speaking Partner reflects its dedication to advancing the frontiers of neuroscience preclinical research and fostering invaluable dialogues within the industry.

This highly anticipated conference is set to build upon its legacy of facilitating collaboration, knowledge dissemination, and networking among stakeholders in the field of neuroscience research and development. The partnership with ETAP-Lab underscores the conference's commitment to providing attendees with access to thought-provoking discussions and insights.

As the Speaking Partner, ETAP-Lab will play a pivotal role in shaping the conference's content and contributing to meaningful discussions. Representatives from ETAP-Lab will lead engaging presentations and participate in interactive sessions, sharing their expertise on various aspects of neuroscience research. Attendees can anticipate gaining deep insights into the latest advancements in the field and exploring opportunities for collaboration.

ETAP-Lab, a renowned name in the field of neuroscience preclinical research, offers a wide spectrum of services to support drug discovery and development, neuropharmacology, and preclinical studies. The company's commitment to innovation, scientific rigour, and excellence aligns seamlessly with the conference's objectives of promoting cutting-edge research and breakthroughs in neuroscience.

MarketsandMarkets Conferences extends a warm invitation to all conference participants to meet the ETAP-Lab team, where they can learn more about the organization's leading-edge research services and explore potential collaborations. The conference promises to provide a vibrant platform for networking and knowledge sharing, and ETAP-Lab's presence will undoubtedly enhance the experience for all attendees.

For further information about ETAP-Lab and its role as the Speaking Partner at the 6th Annual MarketsandMarkets Neuroscience R&D Conference, please write us at [events.marketsandmarkets.com](mailto:events.marketsandmarkets.com).

#### About ETAP-Lab

With its headquarters based in Vandœuvre-lès-Nancy, ETAP-Lab is a Contract Research

Organization (CRO) that has been offering preclinical research services to the pharmaceutical industry and biotechnology companies for over 30 years. ETAP-Lab possesses scientific expertise in various therapeutic areas, including Dermatology and Neurology. In October 2023, ETAP-Lab acquired SYNCROSOME, a preclinical CRO specializing in research and development, particularly in cardiology and pneumology.

As of now, ETAP-Lab has 45 employees spread across 3 locations in France: Vandœuvre-lès-Nancy, Caen, and Marseille. The company serves over 300 clients, with 90% of them being international. In 2023, ETAP-Lab is strengthening its position in the market through both organic and external growth, as well as strategic research projects such as Bio-Diamond, which is the winner of the national component of the France 2030 AAP supported by the French government.
