

# Potash Market Size, Share And Industry Growth Trends For 2023-2032

*The Business Research Company's global market reports are now updated with the latest market sizing information for the year 2023 and forecasted to 2032*

LONDON, GREATER LONDON, UK,  
September 29, 2023 /

EINPresswire.com/ -- The 'Potash  
Global Market Report 2023,' published

by The Business Research Company, serves as a comprehensive source of information covering all aspects of the potash market. According to TBRC's market forecast, the potash market is expected to reach a size of \$30.61 billion by 2027, with a notable compound annual growth rate (CAGR) of 7.4%.

“

The market size of potash is expected to grow from \$30.61 billion in 2027 at a CAGR of 7.4%.”

*The Business Research  
Company*

The growth of the potash market can be attributed to the rising demand for mining activities in North America. In terms of market share, South America is anticipated to be the dominant region in the potash market. Key players in this market include The Mosaic Company, Potash Corporation of Saskatchewan, K+S AG, Israel Chemicals, and Uralkali.

## Trending Potash Market Trend

A noteworthy trend in the potash market is the utilization of potash solution mining techniques to enhance extraction efficiency and boost profitability. This approach involves drilling injection and recovery wells into the ground. A heated brine solution is injected into the deposit to dissolve the potash salts. The dissolved salts are subsequently extracted to the surface, and potash is separated and conditioned, representing a significant trend in the potash market.

## Potash Market Segments

- By Type: Potash-Agriculture, and Potash-Industrial

- By Mining Type: Underground Mining, Surface Mining
- By Geography: North America, South America, Asia-Pacific, Eastern Europe, Western Europe, Middle East and Africa.
