

10th annual TowerXchange Meetup Asia Gathers the Telecom Tower Industry on 28-29 November 2023 in Kuala Lumpur, Malaysia

*The only meeting place for the who's who
in APAC towers*

KUALA LUMPUR, MALAYSIA, October 1,
2023 /EINPresswire.com/ --

[TowerXchange Meetup Asia](#),

recognised as the only meeting place
for the who's who in APAC towers, will
be back for its 10th edition on 28-29
November 2023 taking place in the
Shangri La Hotel, situated in the heart
of Kuala Lumpur, Malaysia.

The meetup will connect the entire
APAC telecom tower ecosystem and
will gather over 300 senior executives
from mobile network operators
(MNOs), tower companies, access
control, active equipment, backhaul
and fibre, consultant & advisory, data
collection & utilisation, energy and ESG,
investment advisors, investors, law firms, managed service providers, OEM, small cells and DAS,
strategic consultancy and regulators.

TowerXchange Meetups are all about the people met and the things learned from them. The
ever so popular small group roundtables are confirmed to return to discuss the most important
topics with the most interesting people in the whole of Asian passive telecom infrastructure.
Roundtables confirmed for this year include country spotlights on India, Indonesia, Myanmar and
Philippines; new technologies related to digital twins, city and satellite connectivity and private
networks, as well as operational challenges such as monitoring site access and theft prevention,
predicting tomorrow's BTS demand, upgrading towers for tomorrow's tenancies or how can
infrastructure companies meet the operator needs for 5G.
