Home Lifts EMI Scheme Eligibility | Nibav Lifts

In addition to Nibav's commitment to providing affordable finance options to customers, they have been constantly improving the customer experience in terms of offering the highest quality products. Nibav's home lifts meet the European Safety Standards making sure the residents can rest assured that they are in safe hands.

Nibav Home Lifts has been implementing air-driven home lifts, which are improving the quality of life in every home and allowing homeowners to embrace the sustainable eco-friendly home lift. These innovative home lifts consume less energy than traditional hydraulic systems and also proudly possess premier features which include Zero Civil Work, Self-Supporting Structure, Grease Less Technology, and Wheelchair Compatibility.

About the Organization: Nibav Home Lifts, headquartered in Chennai, Tamil Nadu, is a leading manufacturer of air-driven home lifts. These home lifts are recognised for their affordability, energy efficiency, unbreakable exteriors, and Completely Knocked Down ushering in a new era of integrating home lift technology. Nibav is positioned to become a global leader in the home lift business, with a network of 71 experience centres and offices in India, Malaysia, Australia, Thailand, Mexico, Canada, Kenya, Nigeria, UAE, and Switzerland.
