We work hard to be the kind of business we ourselves would be happy to shop at.”

Being located in the same address for over 40 years, for many Montrealers Duvets Ungava is synonymous with Pine Avenue. The family owned company was started at the same location as a small factory in 1981, where they

manufactured down comforters, pillows and more, then sold them directly to the public. People loved the fact that everything was being made right on the premises, and Duvets Ungava became a well-loved local Montreal brand up to this day.

Over the years Duvets Ungava has increased its line of products, sourcing them from only the most reputable companies. This local company truly believes in its products, and the fact that Ungava is a family owned and operated company also adds a level of trust and honour.

Family owned and run since 1981, Duvets Ungava is a Montreal institution well-known for its

well-made, great quality Canadian made Down Products including Goose Down Duvets and pillows, Wool Duvets and pillows, and Sheets and [Duvet Covers](#). It has since expanded its assortments to include home decor and bedroom and bathroom accessories at its premise on 10, Pine Avenue West, Suite 112 at the corner of St. Lawrence Boulevard.
