CORONA, CALIFORNIA, UNITED STATES, October 1, 2023 /EINPresswire.com/ -- [The Shops at Dos Lagos](https://www.shopdoslagos.com/), an open-air lifestyle center in Corona, California, is bringing back "[NIGHTMARE AT DOS LAGOS](https://www.dlnightmare.com/), a Zombie Survival Experience" for its shoppers and guests. Starting October 6th through Halloween on October 31st, 2023, each Friday & Saturday, the center will host one of the scariest mazes around!" During the event, attendees will learn what it will feel like to survive a zombie apocalypse. Guests will begin their journey outside of the "safe zone" and surrounded by the living dead. Their goal is to make their way through the infested maze to the safe zone. Along the way, participants will encounter the walking dead, and they must not become infected themselves. Each participant will be assigned a belt containing three flags, each representing a life. If they lose all three flags, they are infected. Those with at least one flag remaining will go home victorious, knowing they can survive a zombie apocalypse. Guests are asked not to touch, hit or otherwise attack the zombies. Space is limited and tickets are required for this event. To watch a video explaining the experience, [click here](https://www.dlnightmare.com/).
