

Manufacturer Super Brush LLC Will Exhibit Their Foam Swabs at Medical Design & Manufacturing Minneapolis 2023

Super Brush LLC will be at booth #3923, at the Minneapolis Convention Center, exhibiting their lint-free, durable foam swabs at MD&M Minneapolis

SPRINGFIELD, MASSACHUSETTS, US, October 2, 2023 /EINPresswire.com/ -- Super Brush LLC will be at booth #3923, at the Minneapolis Convention Center, exhibiting their lint-free, durable foam swabs at MD&M Minneapolis - the Midwest's largest MedTech event.

5,000 advanced manufacturing professionals are expected to attend to familiarize themselves with the latest technologies in bio-compatible materials, components, assembly, and contract manufacturing – fields in which Super Brush LLC lint-free swabs have provided critical solutions.

“

We can design and develop a foam swab in a wide range of sizes, styles, and shapes to meet any company's specific kit, package, or application requirements”

*Diane Henry, Director of Sales
at Super Brush*

“Super Brush specializes in design, development, and manufacturing of foam swabs and applicators,” says Diane Henry, Director of Sales. “We can design and develop a foam swab in a wide range of sizes, styles, and shapes to meet any company's specific kit, package, or application requirements. Our swabs are engineered without adhesives, so they will not contaminate the fluid being applied. In addition, each mitt is made with durable, lint-free foam.”
