"The Sabueso" – Thirteen years after the apocalyptic Second Civil War of America, the Republic of Texas emerges with a revolutionary justice system: the Watchmen. These unique figures serve as both detective and judge, dispatching their executioners to deliver the ultimate verdict to the guilty. Freshly recruited into this elite fold is Isabelle Montoya (Daniela Vidaurre).

In the wake of a heart-wrenching loss, the Watchmen team faces the daunting task of serving a warrant on the elusive Johnson. As they embark on this perilous mission, sacrifices aren't just expected—they're demanded.

Montoya's inaugural warrant plunges her into the investigation of a perplexing murder, where the alleged daughter of the deceased claims a case of mistaken identity: but Montoya uncovers a twist. As she navigates this maze, her personal life intertwines with duty when she becomes entangled with fellow Watchman, Walter (Wesley Blake). Each episode unravels a new layer, a fresh warrant, with every crime mysteriously interlinked.
