

# Introducing a Useful Book in the Digital Age: Modern Inheritance

*Guiding Readers to Securing Their Digital Legacy for Generations to Come*

MISSOURI, UNITED STATES OF AMERICA, October 2, 2023 /EINPresswire.com/ -- First-time author Christopher B Tyrrell presents a useful inheritance tool through his book, "[Modern Inheritance](#)." The book offers both guidance and a recovery record to back up one's digital life. It is considered an essential utility for safeguarding and passing on valuable accounts with logins. "Modern Inheritance" serves three critical purposes:

- Safeguarding digital logins, social media accounts, online banking access, and various digital assets during one's lifetime.
- Providing a backup for personal access to digital accounts and assets in case of lost phones or logins.
- Offering guidance to future generations on recovering and accessing digital accounts and assets.

Renowned three-time bestselling author and sports agent legend, [David Meltzer](#), who served as the inspiration for the film "Jerry McGuire," contributed the foreword to the book. Meltzer, a well-known speaker and successful investor, expressed his thoughts about the book: "I'm thrilled to be a part of 'Modern Inheritance,' a book that equips individuals with the tools to leave a legacy of abundance. This book serves as a roadmap to success, guiding readers through the crucial steps needed to protect their assets and make a lasting impact on the world."

## About the Author:

Christopher Tyrrell is a father of three, a US Navy Veteran, Engineer, Business Owner, and a seasoned problem solver. He has established digital schools aimed at teaching emerging technology enthusiasts how to navigate the new age safely. Christopher has developed a passion for combatting scams, hackers, and securing assets for future generations. "Modern Inheritance" reflects his creative solutions, offering a multitude of safeguarding habits suitable for everyone.
