

Military Warriors Support Foundation Accepts Any Vehicle to Help Continue the Mission of Serving Combat-Wounded Veterans

SAN ANTONIO, TX, USA, October 3, 2023 /EINPresswire.com/ -- The Vehicles 4 Heroes program through Military Warriors Support Foundation accepts any vehicle, in any condition, to help continue the mission of serving heroes who have served our country. When a vehicle is donated, the proceeds directly benefit the lives of our combat-wounded heroes, Gold Star spouses and their families. The vehicles are sold at auction, and the proceeds go directly to Military Warriors Support Foundation. This program is available nationwide.

Military Warriors Support Foundation (MWSF) and their partner Flexco handle the process entirely, from arranging the pickup of the vehicle to managing the title transfer process. In addition to personal vehicles, MWSF also accepts airplanes, tractors, boats, ATVs, and even RVs and motorcycles! They accept all of these in any condition, even if it's not operational.

Once the vehicles are sold at auction, the money raised goes directly into the programs supported Military Warriors Support Foundation.
