

# CSE Marks 18 Years as the Leading Educational Hub for the Certification of Sustainability & ESG Professionals

*CSE marks 18 years of sustainability leadership, offering cutting-edge ESG education for a transformative corporate era.*

CHICAGO, ILLINOIS, USA, October 5, 2023 /EINPresswire.com/ -- ESG has rapidly evolved into a game-changing tool for companies seeking to strengthen their commitment to sustainable growth and reduce their risks. As investors increasingly scrutinize ESG criteria to ensure their investments align with sustainable and responsible practices, it has become imperative for businesses to master the art of leveraging ESG effectively.

Pioneering Sustainability Leadership  
Notably, CSE has certified over 9,500 professionals including most Sustainability Managers and CSOs

hailing from more than 90 countries with the skills and knowledge to drive change in their respective fields.

Moreover, leading government and private organizations including 80% of FT companies in North America have benefited from advanced knowledge and career advancement opportunities through CSE's unique Certified Sustainability (ESG) Practitioner Programs. Among CSE's Certified Sustainability Practitioners are leading companies and governmental organizations such as Oracle, GM, Shell, Sara Lee Corporation, Baker Hughes, Whole Foods, North Face, Vanity Fair, US Forest Service, NASA, United Nations, and many others.
