### Partners Supporting the Empowerment of Women

The World Changers Power Women's Summit 2023 wouldn't be possible without the generous support of its partners. These organizations and individuals are committed to empowering women and promoting positive change on a global scale:

- Jessica Word
- Crown Sterling
- dRc Ventures
- Evolutionary Biohacking
- Heir Story
- Monte Crypto Club
- Quantares
- National Environmental Health Association (NEHA)
- Ipathia
- European Women's Association (EWA)
- Mathieu Castanier
- Tota Pulchra
- Media Partner: Marco Polo Experience

The first time a medical electromagnetic device, a proprioception enhancer is being used as the pass for our VIP guests on the 13th of October at the Pontifical Academy of Science. Produced by Quantares for Evolutionary Biohacking with the support of HeirStory for the World Changers Power Women's Summit.

The summit encapsulates a powerful vision, as articulated by Pope Francis: "We [Vatican] are committed to ensuring women are increasingly respected, acknowledged, and involved!" With an array of distinguished speakers and topics spanning innovation, unity, leadership, and legacy, the WCPWS 2023 promises to be an unforgettable event celebrating the achievements and potential of women worldwide.
