These creations are designed to be lifelong friends for children, created with love and artistry by our founders, Lita and Destiny a stepmother and daughter duo.

Red & Olive Co. is a fair trade doll and accessory brand. We are a minority women-owned and operated company that strives to inspire creativity, curiosity, and bravery in children, both now and in future generations. As a Peruvian & American step-mom and daughter, we spend every day designing ways for children to connect with our rich cultural influences. We blend traditional art forms with the latest fashion trends. Red & Olive Co. was born out of passion, risk-taking and a whole lot of love.

We're also committed to giving back globally. Red & Olive Co. has partnered with the Starlight Children's Foundation, pledging to donate 10% of our sales to support seriously ill children in the United States.
