**Community Outreach:** The Club is committed to supporting local initiatives that improve the lives of residents through food drives, educational programs or disaster relief efforts.

**International Collaboration:** In line with its global perspective, the club aims to establish strong

partnerships with Lions Clubs around the world. This collaboration will enable them to take part in international projects and contribute to global causes.

**Youth Empowerment:** The Club is dedicated to nurturing the potential of young leaders through scholarships, mentorship programs and youth-oriented projects. They will empower the next generation to make a positive impact.

In celebration of its charter night, the Miami - European American Lions Club warmly invites supporters, community members, and anyone interested in their mission to join them on November 18th, 2023, at Bay 13 Brewery and Kitchen. Miami is a diverse and dynamic city, and we aim to harness this energy for the betterment of our community and beyond. We are especially grateful to the Lions District 35N and the Miami Managua Lions Club for their support during our founding process, which has been invaluable in helping us bring this vision to life."
