

# Driving Innovation; Compunetix Set to Exhibit at APTA's Transportation Conference & Expo

MONROEVILLE, PA, USA, October 5, 2023 /EINPresswire.com/ -- Compunetix, leading developer of innovative communication solutions, is set to exhibit at the American Public Transportation Association's (APTA) TRANSform Conference and Expo in Booth No. 5275, October 9 - 11, in Orlando, Florida. Compunetix will highlight its advanced transportation communication and emergency preparedness solutions throughout the expo.

Compunetix is also excited to announce a new partnership with Genesis Systems to voice enable and integrate their mass communication notification capabilities with our

“

Compunetix is excited to partner with Genesis Systems, our shared commitment to flexibility and innovation makes us uniquely positioned to deliver valuable solutions to the transportation industry.”

*Josh Obusek*

ConferenceManager5v. This partnership will enable the ConferenceManager5v platform to notify hundreds to thousands of people in a crisis or emergency situation.

Transportation organizations face a unique set of challenges and require an immense network of resources to operate successfully. As such, these organizations require technology partners that understand their specific needs. During APTA's TRANSform Conference & Exposition, conference attendees can meet with company representatives in Booth No. 5275 and learn more about transportation and emergency communication solutions.

For event information, APTA's TRANSFORM CONFERENCE & EXPO 2023 ([aptaexpo.com](http://aptaexpo.com)).

Meet Our Team

[Joshua Obusek](#), Enterprise Sales Operations Manager, has been an integral part of the sales team for over 12 years. Josh's goal is to provide the best experience possible for Compunetix customers and partners, from initial engagement to project completion. Email Josh at
