

Highlights from Construction Links Network - October 5, 2023

Peer-to-peer content sharing platform for the construction, building and design community

SUNDRE, ALBERTA, CANADA, October 5, 2023 /EINPresswire.com/ -- Construction Links Network is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more.

Members use this platform to share and onboard their digital content including news releases, company announcements, blogs, podcasts, webinars, case studies, whitepapers, videos and more.

The top video this week is courtesy of Priestly Demolition as they show us drone footage of the demolition of the CHCH Building in Hamilton. The PDI crew is careful to preserve the heritage components of this project, while making way for the new Television City condominiums.

In other news, the [Canadian Construction Association is launching an industry call to action](#) urging the federal government to partner with the construction industry on building a strong foundation for a stronger Canada. Add your voice to CCA's campaign by sending a letter to your MP.
